Custom Garage

8x12x8 Barn

Custom Poolhouse

Deduction for NO FLOOR is 80¢ per sq. ft. and applies when shed is built on existing concrete slab.

Painting, staining and caulking are the responsibility of the customer.

BUDGET SHED, DECK & FENCE does No excavating, but will level the shed up with treated wood; up to 6". Leveling beyond 6" or use of cinder blocks will require an additional charge.

All permits are the responsibility of the customer.

Most areas require a building permit for structures over 150 square feet in size.
